SkillHUBS Project

Transnational  
prison up-skilling  
guidance and  
training model

to provide  
recommendations for  
introduction of the  
model in national  
prison education  
systems

to up-skill and re-skill  
inmates with basic and  
transversal skills needed  
for contemporary and  
future occupations  
through development of  
innovative transnational  
model "skillHUBS"

to enhance prison  
counsellors'/mentors'  
capacity to for skills  
assessment, recognition,  
validation and  
development of inmates  
with innovative tools and  
methods

# Our objectives

# Why SKILLHUBS?

The introduction of the "skillHUBS" model into EU prison education systems will represent a significant improvement of EU prison education as it will provide more efficient tools for skills assessment among inmates, address actual offenders' educational needs and provide tailor-made learning opportunities for each individual inmate.

# Our work

The project will produce the following outputs:

A research report with project guidelines

A mentor training and training programme

A transnational "skillHUBS" model containing 3 methodologies

Recommendations for introduction of the "skillHUBS" model in national prison education systems in other EU countries
